Notice concerning Corporation Recording Requirements

Public Act 96-1121 became effective on January 1, 2011. The act amends the Business Corporation Act of 1983 by removing the requirement to record various corporate documents in the Recorder of Deeds Office.

It is estimated that this legislation will save Lake County businesses approximately \$100,000 in recording fees each year.

As a continued service, the Recorder of Deeds Office will still accept documents from those corporations that wish to submit their documents for recording in Lake County.

For additional information, the Illinois Secretary of State Department of Business Services is located in Springfield (217) 782-6961 or in Chicago (312) 793-3380 or online at www.cyberdriveillinois.com.
